

Terms and Conditions of Viewing Online Reports

The reports published on this website contain confidential information that is the property of Millennium Special Pathology Laboratory. If you are not the intended viewer, you are not authorised to read, retain, copy, print, distribute or use such content. If you are able to access a report not intended for you in error, please notify the laboratory and delete any and all copies of the same.

Partial reproduction of any report is not permitted.

Isolated laboratory investigations may not confirm the final diagnosis of a disease/condition. They help in arriving at a diagnosis in conjunction with clinical presentation and other diagnostic modalities.

Reports of certain sensitive tests/large descriptive reports are not published for online viewing as per laboratory protocol. Please refer to the hard copy for such reports.

In case of referred samples, it is presumed that the test performed on the specimen belong to the patient named or identified, such verification being the sole responsibility of the client collecting the said specimen.

These reports are meant only to be a quick reference for the referring physician. If at times any discrepancy is noticed, it may be due to viruses/malware/network issues, etc. At such times, you are advised to refer to the hard copy of the report for confirmation.

Millennium Special Pathology Laboratory or any person representing it accepts no liability for any damage incurred or suffered by any person from viewing this report, or any damage caused due to viruses, malware, etc. by accessing our website/online reports.
